Dear Parent/ Guardian:

You can help your child succeed in school by enrolling him or her in a free tutoring program. The No Child Left Behind Act provides funds for your child to receive free after-school tutoring in reading or math. This free tutoring is available because your child's school is in its second year or more of "School Improvement" status. "School Improvement" means your child's school did not meet Ohio's goals in reading or math for two years or more.

Your child can receive this free tutoring if he/she meets all of the following criteria:

- Attends a school designated as in need of School Improvement (year 2 or more)
- Qualifies for a free or reduced-price lunch
- Is enrolled in grades K-12

You can choose from a variety of approved tutoring providers and locations. Enclosed you will find a list of providers approved by the Ohio Department of Education. You may review the approved providers by visiting the department's web site at http://webap1.ode.state.oh.us/provider_proposal/lookup/

When you are ready to make a decision for your child to receive tutoring, please do the following:

- Select a provider
- Complete the enclosed Supplemental Services Student Registration form
- Return the completed form to the Office of Supplemental Services at the address below or to your child's school on or before September 13, 2010.

Please do not delay your decision as only a limited number of students can be served due to funding resources. If you have any further questions about these services, please call the Office of Supplemental Services at (614) 365-5010.

Sincerely,

Gene T. Harris, Ph.D.
